REQUEST FOR EXEMPTION FROM UNIVERSITY LIVING REGULATION

COLORADO STATE UNIVERSITY LIVING REGULATIONS require that all newly admitted first-year students (Admissions Type “New”) and transfer students with fewer than 15 post-high school credits, who are single, under 21 years of age, and not living with their parents in the Fort Collins area, live in the University residence halls for the first two consecutive terms of their attendance. Credits taken concurrent with high school and/or credits attained through Advanced Placement (AP) do not apply towards living experience.

Experience has demonstrated that adjustment to academic and social life is greater for first-year students living in residence halls. To balance that, the University works with state policies that emphasize the value of on-campus living. The University value is being placed on transition and retention.

First-year students wishing to reside off-campus with their parents or for reasons other than those listed above may request a special exemption according to the following guidelines.

We are unable to approve requests based on financial situation. If you would like to discuss financial aid options that may be available to help pay the cost of living in the residence halls, please contact the Office of Financial Aid.

Guidelines for Requesting an Exemption for New Incoming Students:

- Any first-year student, and transfer students with fewer than 15 post-high school credits, wishing to reside off-campus (with their parents or for any other reason) must request a special exemption. (Submission of a request does not guarantee approval but does guarantee review by the Director of Residence Life.)

- Complete the top portion of the “Request for Exemption” form explaining the reason for your request.

- Attach documentation that supports or verifies the reason for your request as indicated.

- Mail your request to: Department of Housing & Dining Services, Residence Life, 8032 Campus Delivery, Fort Collins, Colorado 80523-8032, prior to the beginning of the semester you will enroll at Colorado State University. We recommend submitting your request at least one month prior to enrollment.

- A decision will be emailed to the address listed on your request form. An exemption is not considered granted until you have received your approved request from the Office of Residence Life, Department of Housing & Dining Services.

- If an exemption is granted and you have previously submitted a housing deposit, you may be eligible for a refund by notifying the Assignments Office. Refund eligibility and amount will be determined by the date of your deposit refund request. For more details, please contact the Residence Life office, (970) 491-4719.

- **Appeal Process:** If your request for an exemption from the university living regulation is not approved, you may wish to appeal the decision. Students wishing to appeal a denial of the exemption request may do so by filing notice of such appeal with the Appeals Hearing Officer. The
decision of the Appeals Hearing Officer is final. There is no further appeal of exemption decisions beyond this level.

**Guidelines for Requesting an Exemption for Currently Enrolled Students:**

- Any currently enrolled first-year student, and transfer students with fewer than 15 post-high school credits, wishing to request to move out of the residence halls (with their parents or for any other reason) **must** request a special exemption. (Submission of a request does not guarantee approval but does guarantee review by the Director of Residence Life.)

- Complete the top portion of the attached form explaining the reason for your request.

- Attach any documentation that supports or verifies the reason for your request.

- Mail or bring your request to the Department of Housing & Dining Services, Office of Residence Life, 111 Palmer Center, 8032 Campus Delivery. **We need to receive your request one week prior to your “Requested Vacate Date.”**

- A decision will be emailed to the address listed on your request form. **You may not check out of your hall until you receive a copy of your approved request.**

- Any student who leaves the residence halls during the academic year without completing the housing contract will incur a contract breakage fee. The original housing deposit (unless the deposit was waived) will be refunded to the student account.

- **Appeal Process:** If your request to move from the residence hall system is denied, you may wish to appeal the decision. Students wishing to appeal a denial of the move request may do so by filing notice of such appeal with the Appeals Hearing Officer. The decision of the Appeals Hearing Officer is final. There is no further appeal of request to move decisions beyond this level.
