

Gender Inclusive Housing Community Guidelines

As a member of the Gender Inclusive Housing community, I commit to:

- Contributing to an environment that is respectful, inclusive, and affirming of diverse gender identities, gender expressions, sexual and romantic orientations, and experiences.
 - Valuing the diverse and intersectional experiences of all members of our community across race, ethnicity, disability, immigration status, faith/worldview and more.
 - Honoring the names, pronouns, and identities of our community members.
 - Respecting the privacy, boundaries, and safety needs of our fellow community members.
 - Celebrating queer and trans joy for myself and each other.
 - Being open and curious to learning about gender identities, gender expression, sexual/romantic orientations for myself and others.
 - Holding my guest(s) accountable to these community guidelines.
- I understand that failure to abide by these expectations may result in my removal from the community.
